

Biosurgery R&D Co-Op [Spring 2023], Johnson & Johnson MedTech

Description: The Ethicon Biosurgery, a member of Johnson & Johnson's Family of Companies, is recruiting for a R&D Co-op position located in Raritan, New Jersey.

Johnson & Johnson companies are equal opportunity employers. Thriving on a diverse company culture, celebrating the uniqueness of our employees, and committed to inclusion. Proud to be an equal opportunity employer.

Responsibilities: This position is available within Biosurgery R&D which includes some or all of the following responsibilities:

- Perform biochemical and analytical laboratory procedures including weight measurements, formulations, spectroscopy, and moisture analysis, etc.
- Record data and observations in laboratory notebooks.
- Analyze experimental data, interpret results and prepare technical reports.
- Maintain laboratory equipment, reagents and supplies. Prepare stock solutions and reagents.
- Must comply with safety and GLP guidelines including maintaining up to date training, following SOPs, maintaining equipment, and proper documentation of lab notebooks and logbooks. Collaborate with scientists and engineers, and support project related activities.

Qualifications:

- The successful candidate will be familiar with basic laboratory techniques and concepts such as accurate pipetting, weighing, data recording/reporting, and laboratory safety and cleanliness.
- Candidates must be enrolled (not necessarily taking classes) in an accredited college/university during the Spring (January-May), Summer (May/June-August) or Fall (August-December) 2023 Co-op session.

- Candidates must be pursuing a Bachelor's or Master's degree in Bio/Biomedical Engineering, Materials/Biomaterial Engineering, Chemistry, Polymer Science or a related technical field.
- Only students who have completed their freshman year or above will be considered.
- Candidate must be considered a student during the Co-op session (i.e. will not have already graduated college).
- Candidate must be available to work full-time (40 hours/week) during the Co-op session.
- A minimum G.P.A. of 3.0 is preferred.
- Demonstrated leadership and/or participation in campus programs and/or community service activities is preferred.
- This position is located in Raritan, New Jersey. Students must be able to provide their own transportation to this work location.
- Candidates must be legally authorized to work in the United States and not require future sponsorship for employment visa status (e.g. H1-B status) now or in the future.

Primary Location: North America-United States-New Jersey-Raritan.

Organization: Ethicon Inc. (6045), Job Function: Administration.

Certain sites within the Johnson & Johnson Family of Companies participate in E-Verify as appropriate in accordance with Company guidelines and federal or state law.
